# REPORT OF THE COUNTY COMMISSIONERS.

---

*To the Citizens of Hillsborough County:*

The commissioners and the several officers of Hillsborough county herewith submit for your inspection the sixty-third annual report for the year ending December 31, 1909.

The present board of commissioners assumed their duties April 1, 1909, therefore but nine months' work of the year have been directly under their control.

## COUNTY FARM.

The expenditures for the first quarter of the year 1909, as shown by the treasurer's report, were \$19,807.87; second, \$18,514.98; third, \$15,778.68, and fourth, \$19,599.22. While the expenses have been large, much is accounted for, owing to the misfortune of a contagious disease whereby nearly the whole herd of cows was destroyed, making it necessary to purchase cows to replace those lost, and we now have a fine herd of healthy cows. New farming implements absolutely necessary have been purchased. The entire supply of coal for the winter of 1909-10 has been purchased and paid for, with about four hundred cords of wood. These, together with the increased price of all commodities necessary to feed and clothe, will, we think, give you a proper conception of the conditions which have confronted us to provide properly for on an average of five hundred people. We hope for more favorable conditions the present year.

## COUNTY HOSPITAL.

This institution has been placed wholly under the supervision of C. W. Milliken, physician and surgeon, with E. B. Swett as assistant. A graduate nurse has been placed at the

head with able assistants to care for the sick. We found the institution without necessary instruments for performing operations, and we have supplied this need by the purchase of the same at an expense of about two hundred dollars. Quite an amount of medicinal supplies have been purchased, which were necessary. At the present time the hospital is well equipped, and we do not hesitate to say that we believe it will compare favorably with any hospital of its capacity in New England. We have had an average of forty-two patients, and diseases not admissible to the hospitals in other places are treated here, and very many successful operations have been performed.

### COUNTY JAIL.

Under a new law passed at the last session of the legislature, placing the jail under the care of the commissioners, we believe it is now managed upon the right plan for the best interests of the people of this county, and we find under the management of Mr. and Mrs. George H. Phinney the work has been most satisfactory.

### PAUPERS AND SOLDIERS.

Conditions over which your commissioners have no control have served to increase this account. The high price of living, also the shortage of water to run the mills of our cities, have served to make higher demands upon the county from the worthy poor for food and fuel. As shown by the treasurer's report, the expenditures were, for first quarter, \$10,533.01; second quarter, \$9,084.71; third quarter, \$9,134.95; fourth, \$9,895.54. We cannot agree with the statements in previous reports by our predecessors that this account is to decrease. The rapid increase in population in Manchester and Nashua caused by new factories, which call a great number of operatives from outside the state, will call for more assistance.

## SUPPORT OF CHILDREN.

This account continues to increase each year, and, with increase of population, we cannot look for a change for the better in this department.

## NEW BUILDINGS.

In accordance with an act authorizing the commissioners to issue bonds for the erection of a house of correction at Manchester and Grasmere, bonds have been issued to the amount of one hundred thousand dollars, bearing interest at  $3\frac{1}{2}$  per cent, payable in fifteen years, as called for in the act approved April 9, 1909. The bonds have been sold at a premium. The commissioners have under process of construction and well under way a jail in Manchester, with jailers' apartments, all to be constructed as a modern building and up-to-date institution for the detention of criminals, which will be ready for occupancy this year, also the addition to the House of Correction at Grasmere.

Your commissioners desire to extend their thanks to all who have rendered them valuable assistance in many ways. With the experience of the past year we feel confident that with business conditions good the coming year we shall be able to make a favorable report of our work. While we believe at this writing that the appropriation made by the next county delegation may require some increase to meet just demands, it will be the endeavor of your commissioners to thoroughly investigate all cases calling for the expenditures of money and to practice economy and good judgment in such expenditure, using their best endeavor to deal justly and honestly with all parties.

GEORGE E. FARLEY,  
ALBERT T. BARR,  
HERBERT O. HADLEY,

*County Commissioners.*

## REPORT OF THE SUPERINTENDENT.

---

*To the Honorable Board of Commissioners of Hillsborough County:*

I hereby present you my fifth annual report as superintendent of the County Almshouse, Hospital, and House of Correction for the year ending December 31, 1909.

There has been four hundred and nineteen inmates admitted during the year and a large portion of them have had to have the attention of the physician.

There has been at the New Hospital an average of forty-one patients.

The hospitals in the Almshouse have not been so badly crowded as last year, owing to the fact that more of the sick patients have been cared for at the New Hospital.

There has been sentenced to the House of Correction four hundred and twenty-two persons during the year. Many have not been able to do hard work and some none at all, and many of them have had to have medical treatment. C. W. Milliken, M. D., of Manchester, and E. B. Swett, M. D., of Grasmere, have looked after all requiring both medical and surgical treatment.

I wish to thank the W. C. T. U. for fruit, flowers, cake, confectionery, entertainment, books for the library, and toys furnished the inmates during the year.

I wish to thank the Salvation Army for their donation of confectionery and papers.

Through the kindness of H. W. Russell and Mrs. Sumner a musical entertainment was furnished, which was greatly enjoyed by all.

I return thanks to the individuals who have furnished reading matter, which the inmates have greatly appreciated.

I also wish to thank Rev. E. C. Goodwin of Grasmere and Fr. J. J. Brophy of Manchester for their faithful attention to the spiritual welfare of the inmates.

To the officers of the institution and to you, Messrs. Commissioners, I extend thanks for assistance in my work.

F. W. RUSSELL,  
*Superintendent.*

## REPORTS OF CHAPLAINS.

---

ST. JOSEPH'S BOYS' HOME,

MANCHESTER, N. H., December 31, 1909.

*To the Honorable Board of Commissioners of Hillsborough County:*

GENTLEMEN:—In forwarding my eighth annual report I wish to thank you for every courtesy in dealing with both inmates and myself. I wish to express my gratitude to the superintendent and matron and also the officers under their charge for their kindness to me. I deeply appreciate the solicitude of both doctors and nurses in regard to the spiritual wants of the patients, and consider it both a duty and a pleasure to be called upon to render spiritual comfort to those under charge.

Respectfully,

JOHN J. BROPHY.

---

*To the Honorable Board of Commissioners of Hillsborough County:*

GENTLEMEN:—Religious services have been held every two weeks during the past year and we have also officiated at twenty-six funerals. As in the previous year we have responded to all calls to visit inmates for spiritual counsel and comfort. In the discharge of my duties I have ever been aided in the most kindly manner by all the officials of the institution. In closing I wish to express my sincere appreciation of the invariable courtesy shown me by the superintendent and matron.

Respectfully,

EDWIN C. GOODWIN.

GRASMERE, N. H., December 31, 1909.

## REPORT OF THE COUNTY PHYSICIAN.

---

*To the Honorable Board of Commissioners of Hillsborough County:*

Since assuming the office of county physician eight months ago, with an understanding that I shall make four weekly visits, with such other visits as demanded by emergency, an increase of one weekly visit over former requirements, I have found that the work cannot be done, to the satisfaction of the physician at least, without daily visits. Also several changes have been made by mutual agreement, whereby the labors of the physician have been greatly increased, other than strictly professional duties, requiring a great deal of time and thought aside from the time spent at the institution. The work of the hospital is increasing rapidly, and there is at the present time a greater per cent of patients in the wards than should be allowed per cubic foot of air space. I thank the commissioners for the broad-minded way in which they have sanctioned the many changes recommended for the care and comfort of the patients. The whole number admitted to the institution during the year was one thousand two hundred and eighty-five, the greater part needing the services of the physician and a decidedly increased per cent needing admission to the hospital.

Respectfully submitted,

C. W. MILLIKEN, M. D.

ROBERT L. MANNING,  
J. G. DEARBORN,

*Auditors.*

MANCHESTER, N. H., January 18, 1910.

A comparison of the statement of the county indebtedness December 31, 1909, with that for December 31, 1908, shows an increase of \$101,166.66 in the total debt during the year 1909 on account of bonds issued in September. The total amount of outstanding bonds is \$338,800, which represents the principal of the debt. At the present time the amount of interest due annually on all bonds is \$12,534. The principal and interest on the debt will be materially reduced during the year 1910, as \$27,000 worth of bonds, the remainder of the original issue of \$35,000, will mature September 1, and will be retired. During the year 1909 the net indebtedness increased \$39,318.51 and the actual indebtedness increased \$26,007.74.

As disclosed by the books of the treasurer, the disbursements show a general increase in the regular accounts during the year 1909.

Deducting the sum of miscellaneous receipts and rebates and payments made on account of new buildings and for land, in all \$41,753.85, from the total payments for the year of \$216,496.20 leaves \$174,742.35 as the actual operating expenses for the year 1909. The actual operating expenses for the year 1908 were \$163,425.13.

The total payments on county farm account were \$73,700.75, less total rebates from the same account of \$9,723.51, leaves \$63,977.24 as the actual expenses of the county farm for 1909 as compared with \$56,735.93, the actual expenses of that institution for the year 1908.

The actual expenses of the county jail for 1909 were \$9,146.51 as compared with \$11,972.45, the actual expenses

for 1908, leaving a decrease of \$2,825.94 for the year 1909, principally the result of nine months' operation of our new jail law in effect since April 1, 1909.

Under ordinary conditions in the future the county should experience greater saving in the jail account under the new system of management and accounting provided for in the new law.

The actual increase during the year 1909 in the account of aid to soldiers and aid to paupers was \$5,478.06.

From the foregoing report and from the above comparisons, it may be seen that the operating expenses of the county are increasing, and, therefore, the importance of granting sufficient appropriations and the necessity of economy in expenditures strongly suggest themselves.

In view of the recent issue of county bonds on account of which the principal of the county debt was increased \$100,000, and if the admirable plan of a sinking fund, already established, for the payment of all bonds as they shall mature, is to be continued successfully it will be necessary to increase the annual appropriation for that fund, and to this necessity the attention of the next county convention is respectfully called for their consideration and action.

ARTHUR S. HEALY,  
*County Treasurer.*

## AUDITOR'S REPORT.

---

In accordance with the provisions of chapter 87 of the Laws of 1897, we have examined the accounts and vouchers of the county treasurer, the superintendent of the county farm, and the county commissioners quarterly during the past year. We have found the accounts correct and properly vouched. The articles appear to have been purchased uniformly at their fair market value, and, so far as it is possible for us to determine, they have been used for the benefit of the county. For a detailed account of the receipts and disbursements, we refer to the tabulation of the treasurer's report printed in this report.

We think the commissioners are showing a commendable disposition to look more and more closely after the affairs of the county; but we would recommend, as the statute provides we shall do, that town overseers of the poor, who have the care of paupers who are county charges, be compelled to be more economical in their expenditure for such persons. There seems to be a tendency upon the part of some of them to permit a county charge, at least, to subsist in a style hardly proper at the public expense.

ROBERT L. MANNING,  
JOSIAH G. DEARBORN,

*Auditors.*

## SOLICITOR'S REPORT.

---

*To the Honorable Board of Commissioners of the County of Hillsborough:*

There are no civil actions for or against the county in any court.

Four appeal cases from local courts remain on the docket.

Five cases in which indictments were returned are undisposed of.

There were two hundred and fifty-one cases presented to the grand jury during the year 1909 and two hundred and eighteen indictments were returned.

The only important case now upon the superior court docket is State vs. Theodore Balatsos for murder in the second degree.

All cases except the above have been disposed of in the manner usual to our court practice.

There has been conviction or the bail has been forfeited and paid in every liquor case, except one, in which there was acquittal.

Two persons have actually served sentences imposed for illegal sale of liquor in no-license territory.

Several disorderly houses and places where liquor was illegally sold have been put out of business, notably the famous Mountain House of New Ipswich, which had troubled the county authorities for many years, and which was one of the first I had to do with.

I am convinced that there has not been so little illegal liquor selling or so few disorderly houses in Hillsborough county for a great many years as there are today.

The expenses have been kept down as low as possible, consistent with a thorough enforcement of the laws.

Grand jurors have been kept from home as short a time as possible, and much time has been saved in court by preliminary investigation of various cases.

It may be said that our county has been remarkably free from serious crimes.

Respectfully submitted,

AIME E. BOISVERT,

*County Solicitor.*

## REPORT OF COUNTY JAILER.

*To the Honorable Board of Commissioners of Hillsborough County:*

GENTLEMEN:—Your jailer has since April 1, 1909, worked under the special act governing the Hillsborough County Jail, passed at the last session of the legislature, which gives to the jailer and matron a stated salary rather than whatever profits may accrue from the allowance made for board of prisoners. While this method is less remunerative to the jailer, it is the only correct way of handling the financial side of the institution. All supplies of whatever nature are now bought either by the county commissioners or under their orders.

The jailer and matron desire to tender their thanks to the members of the East Manchester W. C. T. U. for their work among the inmates and for their holding of religious services.

## HILLSBOROUGH COUNTY CONVENTION.

---

In accordance with the provisions of the Public Statutes of the State of New Hampshire, the representatives from the towns and cities of Hillsborough county met for the purpose of organization in Division No. 1, Representatives' Hall, at Concord, on Wednesday, the thirteenth day of January, A. D. 1909.

The convention was called to order by Representative Emerson of Milford.

On motion of Representative Forsaith of Manchester, which motion was duly seconded, it was voted that J. Woodbury Howard of Nashua be chosen chairman of the convention for the ensuing two years.

On motion of Representative Sadler of Nashua, duly seconded, it was voted that James A. Sayers of Manchester be chosen clerk of the convention for the ensuing two years.

I, James A. Sayers, do solemnly swear that I will faithfully and impartially perform the duties incumbent on me as clerk of the Hillsborough County Convention for the ensuing two years, to the best of my ability and agreeably to the laws of the state of New Hampshire. So help me God.

JAMES A. SAYERS.

### STATE OF NEW HAMPSHIRE.

Hillsborough, ss.

JANUARY 13, 1909.

Personally appearing said James A. Sayers took and subscribed the foregoing oath before me.

EDWARD H. WASON,

*Justice of the Peace.*

On motion of Representative Wason of Nashua, duly seconded, it was voted that a committee of five, consisting of

the chairman, clerk, and three members of the convention, act to look into the needs of appropriations for county institutions. The chair appoints: Mr. J. W. Howard, chairman; Mr. J. A. Sayers, clerk; Mr. E. H. Wason of Nashua; Mr. Charles H. Emerson of Milford; Mr. George O. Joslin of Bennington.

On motion, duly seconded, it was voted to adjourn, to the call of the chair.

JAMES A. SAYERS,

*Clerk.*

WEDNESDAY, FEBRUARY 3, 1909.

The convention met in Representatives' Hall at 12.30 A. M. today, Mr. J. W. Howard presiding. Representative Baker of Hillsborough, who is the present county commissioner, spoke to the convention on the needs of the county farm at Grasmere. He states that the farm was in need of a work-house to accommodate the prisoners who are being sent from the cities of Nashua and Manchester, since said cities have abolished their houses of correction. He also spoke about installing an electric plant at the farm. Since the erection of the hospital it has cost close to two thousand dollars (\$2,000) for lights. He further said that if the county could acquire the land adjoining the farm, which consists of about twenty-four acres, at a reasonable price that the question of water would be settled.

On motion of Mr. Holt of Frankestown, and duly seconded, all these matters were left to the executive committee of the delegation.

Mr. Baker spoke on the expense of the special committee of the legislature of 1907-1908, who were appointed to investigate the condition of Hillsborough county. He said the bill from the committee amounted to something like two hundred and thirty-eight dollars (\$238), including stenographers' fees, etc., and said that the commissioners were advised by the county solicitor not to pay the same, but, in his opinion and the other commissioners, he felt that the bill should be paid.

Mr. Lucier of Nashua, who was a member of that committee, stated to the convention the expense of the committee. He told of the different hearings the committee held, which was a loss of time on their part and with no compensation at all. Mr. Manning, the chairman, had paid the money out of his own pockets, and he felt that the county should now reimburse him.

After the discussion came to an end, which was taken part in by Mr. Straw, Mr. Joyal, Mr. Wason and Mr. Wyman, a motion was finally put and duly seconded that the matter be left to the executive committee, who will confer with the solicitor and report at the earliest possible time. Mr. Woodward of Nashua offered the following resolution:

*“Resolved, That a committee of five be appointed to inquire into the salaries and affairs of county officials, and recommend any changes advisable to the delegation.”*

The resolution was adopted, and the committee consists of Woodward of Nashua, Wyman of Manchester, Hardy of Hollis, Howe of Peterborough, Richardson of Wilton.

House bill No. 361 came up for action. This bill was introduced by Mr. Moreau of Manchester.

#### HOUSE BILL NO. 361.

#### “AN ACT

Authorizing the appointment of a committee to consider the advisability of reindexing and changing the records in the office of Hillsborough County Registry of Deeds.

“SECTION 1. The members of the legislature for the year 1909, composing the Hillsborough County Convention, are hereby authorized to appoint a committee of three from their membership to confer with the register of deeds and the commissioners for said county of Hillsborough and decide what changes, if any, are necessary to provide a convenient index for the records now in said office, and to decide what method, if any, will be more convenient and better adapted to the future indexing of records therein.

“SECT. 2. This act shall take effect upon its passage.”

After being read by the clerk, it was voted, on motion of Mr. Wason, and duly seconded, that the bill be recommended back to the House that it "ought to pass."

The chair stated that the delegation would visit the County Farm at Grasmere Friday, the fifth day of February, 1909.

No further business, the meeting adjourned till Friday, the fifth day of February, on motion of Mr. Burgess of Manchester, and duly seconded.

FEBRUARY 5, 1909.

The convention met at the County Farm, Grasmere, today (Friday) at twelve o'clock (noon).

The special committee which was appointed to look into the needs of county institutions reports on two matters. The first was in relation to the water supply. The committee recommend the purchase of the land which was spoken about by Commissioner Baker at the last meeting. Mr. Emerson of the committee spoke for the committee and said that the piece of land contains about twenty-four acres and could be purchased at about sixteen hundred dollars (\$1,600).

On motion of Mr. Wason of Nashua, and duly seconded, it was voted that the commissioners purchase said land at a cost not exceeding sixteen hundred dollars (\$1,600).

The second matter was the workhouse, and Mr. Emerson for the committee said that the committee recommends that the county commissioners ascertain the cost and building of same and report as soon as possible with full details regarding the same.

On motion of Mr. Adolph Wagner of Manchester, and duly seconded, it was voted that the committee's report be adopted, and the motion prevailed.

Mr. Hurd of Manchester spoke on the bill in relation to the salary of the county solicitor, and was informed that a

special committee was appointed to look after that matter and other matters pertaining to county officials.

Mr. Wason spoke on the appropriations for the county, which are usually ready when the convention sits at the county farm. The reason, he stated, that they were not ready at this time was due to a bill, which is now before the legislature, which reads that the county will not make known its appropriation until two weeks after the delegation's annual dinner.

On motion of Mr. Emerson a vote of thanks was extended to Superintendent Russell and wife and their assistants for the excellent collation served.

On motion, and duly seconded, it was voted to adjourn to the call of the chair.

• MARCH 3, 1909.

The convention met today at 1.30 P. M., in Division No. 5, Representatives' Hall, Mr. J. W. Howard, chairman, presiding.

Mr. Wason of Nashua states to the convention that House Bill No. 361, relating to the "Authorizing the appointment of a committee to consider the advisability of reindexing and changing the records in the office of Hillsborough County Registry of Deeds," be taken up for consideration as to the appointment of the committee. He stated that the bill had already passed the House and Senate, and, on motion of Mr. Wason, and duly seconded, it was voted that the chair appoint a committee of three to look after the same. The chair appointed Mr. Wason of Nashua, Mr. Moreau of Manchester, and Mr. Farley of Bedford.

Mr. Woodward of Nashua, chairman of the Special Committee, which was appointed to look into the salaries and affairs of county officials and recommend any changes to the

delegation, submitted his report to the convention. On motion of Mr. Lucier of Nashua, and duly seconded, it was voted to lay the report on the table to be acted upon at the next meeting.

Mr. Wason of the Special Committee of the delegation submitted a bill to the convention in relation to the conducting of the jail. On motion of Mr. Burgess of Manchester, and duly seconded, it was voted to lay same on the table, also to have copies printed in the papers, and the matter taken up at the next meeting.

On motion of Mr. Forsaith of Manchester, and duly seconded, it was voted that the delegation meet in Division 5, Representatives' Hall, Friday morning, March 5, at 9.30 A. M.

On motion of Mr. Lucier of Nashua, and duly seconded, it was voted to adjourn.

MARCH 5, 1909. .

The convention met today in Division No. 5, Representatives' Hall, at 9.30 A. M., the chairman, Mr. J. W. Howard, presiding.

Mr. H. E. Dunnington of Manchester asked that the question of paying the 1907 investigating committee be taken up first. His motion was carried.

Mr. Wason of the Special Committee stated that the committee had agreed that a sum not exceeding two hundred and fifty dollars (\$250) should be paid the Manning committee, so called, for its expenses, as such a sum had been voted without authority by the delegation of 1907. He stated that the committee had an enabling act, prepared to make this possible, and also a bill to pay the commissioners two hundred and eighty-three dollars (\$283) to reimburse them for what they had paid for legal counsel during the investigation.

MARCH 5, 1909.

Mr. Joyal moved that the bills be taken up separately, and Mr. Kellogg amended by grouping both in an appropriation of five hundred and fifty dollars. Mr. Joyal's motion was adopted, and it was voted that the Judiciary Committee be requested to present a bill enabling the county to pay the Manning committee expenses.

Mr. Woodward asked for information as to what appropriation the legislature of 1907 had made. Mr. Wason answered Mr. Woodward's question and stated to the delegation that the legislature of 1907 appointed the Manning committee to investigate county affairs at an expense not exceeding two hundred and fifty dollars (\$250), but made no provision for counsel for the commissioners. He thought it proper that the commissioners have counsel; they did, and it cost them ninety-four dollars each.

Further discussion was taken part in by Messrs. Worthen, Trudel, Emerson, Belanger, and Hurd.

Mr. Wason then called upon Mr. Baker, commissioner, to make a statement to the delegation. Mr. Baker spoke at length to the convention, and in his remarks stated that he had received letters from four out of the five members of the committee. Mr. Goodwin of Mason demanded the letters read. They showed Messrs. Worcester and McKean to be in favor of paying the bill, while Messrs. Manning and Walbridge questioned the legality of such payment, although they suggested it would be no more than right. No letter was received from Mr. Lucier. Mr. Bickford of Manchester demanded the reading of itemized bills, and Mr. Baker read same.

Mr. Clough of Manchester moved the indefinite postponement of the matter, but before action was taken a demand was made that Mr. Lucier, a member of that committee, make a statement. Mr. Lucier made quite a lengthy statement to the delegation and said that he could not recommend the paying of the bill.

Mr. Wyman and Mr. Baker asked to be excused from voting, as Mr. Wyman was connected with the law firm that rep-

resents the commissioners, and Mr. Baker was commissioner. Permission was granted.

The question was put on the motion to indefinitely postpone the matter of the commissioners, and it was carried on a division by a vote of 34 to 27.

The report of the Special Committee on salaries was next taken up by sections and adopted with a few slight changes.

*To the Hillsborough County Delegation:*

Your committee was appointed to inquire into the matter of salaries of county officers and to make such recommendations as seemed advisable to your committee, and, after giving two public hearings at the court house in Nashua, and hearing all who appeared to be heard, and having considered the county report and such other information as was accessible, your committee report as follows:

COUNTY COMMISSIONERS.

The county commissioners at the present time receive a salary of twelve hundred dollars a year besides their reasonable expenses. No allowance is made for clerk hire under the present statute, and the two clerks who have been hired at the rate of one dollar and twenty-five cents per day have been paid under the head of court house expenses.

Your committee recommends that no change be made in the salaries of the commissioners. We believe that at least one clerk is necessary for the proper performance of the duties of the commissioners, and we recommend that the commissioners be given authority to employ such clerical assistance as may seem to them to be necessary at an expense not to exceed five hundred dollars in any one year.

The commissioners have practically absolute control of the expenditure of the county moneys. As a matter of business solely, your committee recommends that each commissioner be required to furnish a bond to the county for five thousand dollars, conditioned upon faithful performance of the duties of his office, in the same way that the other county officers furnish bonds.

## COUNTY SHERIFF.

Your committee understands from the information at hand that in addition to the salary of the sheriff, which is now eight hundred dollars, he receives fees for special investigations when authorized by the solicitor, for court attendance, and for charge of prisoners, amounting to about eleven hundred dollars. This is exclusive of the amounts received from the source of civil process, and your committee understands that the sheriff himself does very little in the way of serving civil processes. The many changes that would be necessary in the law relating to the sheriff's office, affecting the sheriff and all his deputies, and the great trouble with bookkeeping, taken in connection with the small amount involved, makes it advisable, in the opinion of your committee, to attempt at this time to make no change in regard to the salary or fees of this office.

## COUNTY SOLICITOR.

The salary of the county solicitor is now thirteen hundred dollars, with no allowance for personal expenses in the investigation or preparation of cases or for clerk hire. Under the license law the solicitor gets some slight additional fees. In the opinion of your committee, the office is much underpaid, with the result to be feared that in the future it may not be possible to get able men to accept the office, which carries more work than any other similar office in the state. Your committee recommends that the salary of the solicitor be increased to fifteen hundred dollars, and that House Bill No. 116 be reported with an amendment, striking out the words and figures "two thousand dollars (\$2,000)," and inserting in place thereof the words and figures "fifteen hundred dollars (\$1,500)."

## REGISTER OF PROBATE.

Although a county office, the register of probate is paid by the state and not by the county. The register receives fifteen hundred dollars and fees, and in addition a deputy

is paid eight hundred dollars. Your committee understands that the fees amount to about eleven hundred dollars, and out of this the register pays about seven hundred dollars for clerk hire. Your committee cannot recommend any change in the salary of this office.

#### COUNTY TREASURER.

The treasurer now receives six hundred dollars per year, and out of this is obliged to pay one hundred dollars for a bond. No request is made for any increase in salary, but the treasurer does submit that the expense of the bond should be paid by the county. Your committee recommends no change in this office, unless it is thought that the expense of a bond for all county officers should be paid by the county, which would mean an additional expense to the county of about two hundred dollars. A majority of your committee is not in favor of making any change in this respect.

#### REGISTER OF DEEDS.

The office of register of deeds is entirely on a fee basis. Your committee is informed that the fees for recording deeds and mortgages amount to about three thousand dollars a year, that the fees for recording assignments and discharges amount to about four hundred dollars a year, that the fees for copies made amount to about one hundred and twenty-five dollars a year; the fees or charges for making abstracts of title are not a part of the duties of the office, in the opinion of your committee, and we have no definite knowledge of the amount of such extra business annually, but our estimate would be in the neighborhood of five hundred dollars more or less. The register requires the assistance of four clerks, whom he pays eighteen hundred dollars a year, leaving a net profit to the register of from seventeen hundred dollars to two thousand dollars a year. If the register were paid a salary approximately equal to the salary of the register of probate, your committee believe that the county would save a small amount, possibly two hundred dollars and per-

haps more. In the state of Massachusetts, we understand that the saving effected by the salary plan is considerable, owing to the much larger volume of business done in the registries there. Your committee feels that a change is desirable and recommends that the office be placed on a salary basis.

#### CLERK OF COURT.

Your committee was not informed at either of the hearings as to the exact amount received by the clerk of court as his total income. He is paid by way of allowance upon settlement of his account with the court each term, deducting the same from moneys received by him and paying balance to the county treasurer. So long as no complaint was made to your committee by the court or any other person, your committee knows of no change to recommend in respect to the salary of this office.

#### JAILER.

The account of the jailer is examined and allowed by the court at the January, May, and September terms of court under the statute. His allowance is two thousand dollars a year and commission on board. He is a deputy sheriff. Your committee understands that the other subcommittee appointed by this delegation has prepared a bill covering this office, and your committee on salaries therefore makes no recommendation as to salaries.

#### COUNTY AUDITORS.

The county auditors, two in number, are paid fifty dollars a year, and your committee can see no reason for making change.

Your committee would recommend that the salaries of all county officers be paid quarterly.

Respectfully submitted,

JOSIAH N. WOODWARD,

*For the Committee.*

Moved by Mr. Wason, that the commissioners' salaries should be the same, and they should not be asked to furnish bonds, as proposed by the Special Committee. Motion prevailed.

Moved by Mr. Wason, that the commissioners be allowed eight hundred dollars for clerk hire, with the understanding that clerks should be employed in both Nashua and Manchester. Motion prevailed.

Moved by Mr. Wyman, that a committee of one be appointed to draw up a bill and recommend to the Judiciary Committee, with the recommendation that it ought to pass, in regard to this matter, and the motion prevailed, and Mr. Wyman was appointed a committee.

Moved by Mr. Wason, the report of the committee in regard to the county commissioners be adopted, and the motion prevailed.

On motion of Mr. Emerson the section pertaining to the county sheriff be adopted. Motion prevailed.

Moved by Mr. Lucier, that the county solicitor's salary be fixed at eighteen hundred dollars instead of fifteen hundred dollars, as recommended by the committee; and the motion prevailed.

Moved by Mr. Moreau, that the section pertaining to the register of probate be adopted. Prevailed.

After a long debate the county treasurer's salary was increased from six hundred dollars to seven hundred dollars, on motion of Mr. Joyal, with the understanding that the treasurer should pay for his bond.

Mr. Wason moved that all other sections of the committee's report be adopted. Prevailed.

On motion of Moreau the Special Committee was discharged and a vote of thanks tendered for services.

The matter of the management of the jail was next taken up, and Mr. Wason for the committee submitted to the delegation the bill drawn up by the committee, which had been printed in the papers.

The bill was adopted on motion of Mr. Moreau, and also

that it be introduced by the Committee on Judiciary into the House, with the recommendation that the bill ought to pass.

The Grasmere matter was next taken up, and Mr. Emerson of the Special Committee presented the plan for a new house of correction and workhouse. He outlined the plans for the building and stated that the committee recommended the sum of fifty thousand dollars (\$50,000) for the same.

This matter was discussed for quite a while, and finally it was moved that the committee's report be adopted; but Mr. Clough of Manchester raised the point that there were not enough members of the delegation present to warrant making such an appropriation, and on that Mr. Wason demanded a roll-call. The roll-call stood, thirty voting to accept the committee's report, and twenty-two voting not to accept. The motion prevailed. The members voted as follows: Yeas (to accept), Harvell of Amherst, Lowe of Antrim, Joslin of Bennington, Covey of Brookline, Dutton of Deering, George of Goffstown, Upton of Hancock, Baker and Newman of Hillsborough, Sayers, Richer, Augustus Wagner, Hurd, Roy, Beau, Blood, Moreau of Manchester, Goodwin of Mason, Emerson and Melzer of Milford, Howard, Sadler, Lampoon, Wason, Lucier, McQuestion of Nashua, Jones of Peterborough, Richardson of Wilton, and Temple of Windsor, Clyde of Hudson. Nays, Dey, Wyman, Clough, Lawrence Dunnington, Forsaith, Barnard, Trudel, Wheeler, Worthen, Joyal, Hogan, Straw, Bickford, Lagerquist, Belanger, Kellogg, Flaherty, Dickey, and Lafond of Manchester, Woodward of Nashua, and Peaslee of Weare.

Moved by Clyde of Hudson that a committee of three be appointed to prepare a bill covering this project.

The chair appointed as a committee Mr. Wason, Mr. Moreau, and Mr. Clyde.

Moved to adjourn on motion of Ray of Manchester.

APRIL 7, 1909.

The Hillsborough delegation met today at 9.30 A. M. in Union Hall, Concord.

*To the Special Committee of the Hillsborough County Delegation:*

As to the appropriation to be made by Hillsborough county for the operating expenses for 1910 and 1911 we would report:

The amount appropriated for 1908 and 1909 was one hundred fifty-five thousand dollars (\$155,000); of that amount the sum of ninety thousand dollars (\$90,000) was raised by taxation.

The sum of ten thousand dollars (\$10,000) was transferred from the license money (so called) to the sinking fund, and the balance of the license money used to pay operating expenses.

Ten thousand dollars (\$10,000) transferred to the sinking fund each year will be sufficient to meet all outstanding bonds when due.

The actual indebtedness of the county December, 1908, was \$42,014.39, a reduction of the debt during the year of \$6,631.90.

The commissioners believe if no legislation is enacted at this session of the legislature, increasing the expenses of the county, the same amount, ninety thousand dollars (\$90,000), to be raised by taxation, will be sufficient, with the balance of the license money after transferring ten thousand dollars (\$10,000) to the sinking fund, to meet all the operating expenses of the county.

Respectfully submitted,

STILLMAN H. BAKER,

*Chairman.*

This report was read to the convention by the chair.

Commissioner Barr addressed the delegation and said the expenses of the present quarter had been eight thousand

dollars more than for the same period last year, which showed that many bills had been left over for the new commissioners, and that the balance was not as large as suggested by Mr. Baker. With the growing population, the demands for charity would increase, while the license revenue was growing smaller as a result of the no-license movement. He urges that one hundred and sixty thousand dollars be annually appropriated.

Mr. Wason for the Special Committee appointed to look into the registry of deeds matter reported and asked for five thousand dollars to improve same, twenty-five hundred dollars each year.

On motion of Mr. Wason, the annual appropriation was increased to one hundred and sixty-two thousand dollars, of which ninety-seven thousand five hundred dollars be raised by taxation, the rest to come from license revenue, ten thousand dollars of this to be transferred to the sinking fund, and it was so voted.

Mr. Wason of Nashua offered the following resolution.

#### WASON RESOLUTION.

*Resolved*, That the county commissioners be and hereby are authorized to purchase a new site for a jail in Manchester, and that a sum not exceeding seventy-five thousand dollars be appropriated to purchase said site and erection of a building and equipment of a new jail, and a sum not exceeding fifty thousand dollars be appropriated for the erection and equipment of a house of correction building and workshop at Goffstown, and that the former vote of the delegation be rescinded, and that a bill authorizing the issue of bonds not exceeding one hundred thousand dollars be prepared and introduced into the legislature.

After offering the resolution Mr. Wason spoke on the jail situation. He said men were sleeping there two in a cot, which was highly improper. He thought conditions worse at the jail than at Grasmere, and for humanity's sake urged that they be remedied. Mr. Barnes seconded the resolution.

Considerable discussion followed, taken part in by Mr. Barnard, Mr. Dunnington, Mr. Bickford, Mr. Augustus Wagner, Mr. Clough, all favoring the proposition, Mr. Emerson being the only one to oppose it. The resolution was put before the delegation and carried by an overwhelming vote.

On motion of Mr. Wason, and duly seconded, it was voted to appoint a committee by the chair to introduce into the house a bill from the Judiciary Committee, authorizing the county of Hillsborough to issue bonds for the erection of a house of correction at Goffstown and Manchester, with interest not exceeding three and a half per cent. The chair appointed Mr. Wason and Mr. Barnard as a committee.

Mr. Burgess of Manchester offered the following resolution, which was adopted:

#### RESOLUTION.

(Introduced by W. A. Burgess of Manchester.)

#### STATE OF NEW HAMPSHIRE.

In the Year of Our Lord, One Thousand Nine Hundred and Nine.

*Resolved*, By the Hillsborough County Delegation, convened at Concord, That whereas no suitable quarters have been provided for aged men and their wives who may be committed to the almshouse as paupers, where they are enabled to associate at all times and thereby be of assistance to each other; therefore, be it

*Resolved*, That the county commissioners be instructed, and by the adoption of the resolution they are hereby authorized, to provide sufficient rooms where such inmates may be comfortable and not be required to be separated; be it also

*Resolved*, That the county commissioners are authorized to draw their warrant for an order, to be paid by the county treasurer, in a sum necessary to cover the cost of such improvements.

On motion of Mr. Clough of Manchester the convention adjourned.
